

CANADIAN ASSOCIATION OF THREAT ASSESSMENT PROFESSIONALS

Threat Assessment Resources & Education for Professionals and the Public

2023 Annual Workshop & Conference

October 15 –19, 2023

Fairmont Chateau
Resort, Whistler, B.C.

We are pleased to announce the **2023 CATAP Workshop (October 15 & 16) and Conference (October 17 to 19)** at the **Fairmont Chateau Whistler Resort in Whistler, British Columbia.**

Online registration is open! Visit www.catap.ca to register. Special rates at the Fairmont Chateau Whistler will be offered to all attendees

Call for Conference Speakers and Poster Submissions

Our 2023 Conference theme is "**Current and Emerging Trends in Applied Threat Assessment and Management**". We invite proposals including but not limited to the following areas:

- Working with multi-disciplinary and community teams;
- Addressing gender bias in threat assessment and management (TAM);
- Cultural considerations in TAM including Indigenous perspectives;
- Case formulation and communication of risk;
- Case studies inclusive of lessons learned;
- The assessment and management of sexual violence;
- When multiple risks are present;
- Personality Disorders and other mental health issues related to TAM;
- Legal, policy, and/or ethical issues; and
- Any other topic related to general violence, domestic violence, gang violence, stalking, terrorism, and workplace and school violence, etc.

For details on proposed talks including timing length (60, 90, 120 minute), poster details, and objective criteria used to evaluate submissions, please see the CATAP 2023 Annual Conference Proposal Form (attached below). All submissions must use this form.

SUBMISSION: Please email your CATAP 2023 proposal submission form and a current CV to info@catap.ca. Presenters will be notified of acceptance status no later than **May 19, 2023**.

DEADLINE FOR SUBMISSION: April 28, 2023

If you have any questions or comments regarding the call for proposals or the conference/workshop, please email info@catap.ca

CATAP 2023 Annual Conference Submission Form

TALK/FORUM

(60, 90 or 120 minutes):

A presentation focused on one topic. Typically, talks are presented by a single speaker. Co-presenters may be allowed if needed to make a significant contribution to the presentation.

Submissions are limited to a 100-word abstract and 1000-word summary.

Accepted speakers will receive complimentary attendance at the 2023 Conference and shuttle to and from the venue

POSTER

Poster presentations are to be made in written format on display boards (size TBA). Submissions are limited to a 100-word abstract and 1000-word summary.

The Presentation Selection Committee will evaluate all proposals on the following criteria (using a 1 to 5 rating scale):

1. Relevance of contribution to the field of threat assessment and management;
2. Contribution to the operational knowledge of threat assessment and management;
3. Degree to which data were collected with clear and appropriate methodology and analysis (for data-based submissions);
4. Likelihood of generating discussion at the conference that will benefit the field;
5. Clarity of description of information to be presented for the time proposed; and
6. Breadth of appeal to anticipated audience.
